A dynamic day-long conference organised by the IESE Women in Business Club, on the topic of the power of balance: defining and owning your own success

THE EVENT

The Power of Balance: Defining and Owning Your Own Success is IESE's 3rd Annual student-run Women in Business Conference. The event will take place on Wednesday, January 24th 2018 at IESE's North Campus in Barcelona, Spain.

THE POWER OF BALANCE: DEFINING AND OWNING YOUR OWN SUCCESS

With this year's theme, we want to encourage participants to challenge preconceived notions of success by exploring and creating their own. Our ultimate goal is to provide delegates with the right set of tools and opportunities to explore a variety of professions, embrace challenges, and embody confidence while pursuing their individual career goals.
