WHAT SOME OF OUR ALUMNI SAY ABOUT THIS LEADERSHIP PROGRAMME

“I see the Timoney Advanced Leadership Programme as something to sharpen the axe. To refine the things that you’re doing and to make you stop and look at how you’re running your business.”

“When you’re very busy, slowing down and thinking is one of those things you know you should do but just don’t make enough time for. The ALP allows you to do that in the company of senior leaders across a whole range of sectors. I found that the problems I thought were unique to our business, were very similar to the problems of fellow leaders.”

“The longer you are in a role, the easier it is to get stuck where you think you might have all the answers. This programme is full of leadership nuggets. You can learn from a gathering such as this where they are all leaders and are curious to see how they can become better and improve.”
