

Autumn 2020

# Leading into the New Normal

VIRTUAL LEADERSHIP PROGRAMME

**Timoney** LEADERSHIP  
INSTITUTE

# Is now the right time to reboot your leadership?

This short virtual programme of 3 interactive sessions with IESE professors and 4 Executive Coaching sessions will help you to strengthen your self-leadership and teams to lead your organisation from survival to growth in these uncertain times

The programme package also includes:

**Analysis of your personality** and the demands of your job, to help **identify how best to adapt your leadership role** for the year ahead.

**4 coaching sessions** with a member of the Timoney Coaching Panel to help you set and meet realisable stretch goals.

Support in crafting a **Leadership Action Plan** for the following months ahead.

## Session 1: Resilience and Self-Leadership Towards The New Normal

Professor Alberto Ribera

## Session 2: Leading and Communicating Authentically

Lecturer Conor Neill

## Session 3: Leading Teams Towards The New Normal

Associate Professor Anneloes Raes

Benefit from **Executive Coaching and practical assessments** to help you understand your leadership personality, relate it to your role and **develop a Leadership Action Plan** to implement in the next 6 months

## Alberto Ribera

Professor of the Practice of Management of Managing People in Organizations, IESE Business School

Area of Expertise:

- Self leadership
- Relations management

## Leading into the New Normal

# Programme outline

Better People

Better Organisations

Better Society

# Benefits for participants

The online programme will be directed by Academic Director **Professor Alberto Ribera, IESE Business School** who has extensive expertise and a genuine passion for helping leaders develop their full potential

Learn with and from Timoney alumni senior executives on how they too are **facing the new challenges**. Our virtual sessions will **make best use of your precious time**

We will help you **leverage your team** to define and deliver your new normal by improving your self-leadership and **team management skills**

**4 Coaching sessions** to help you stay on track to **deliver your action plan**

**Accompanied by your Executive Coach**, you will harness your leadership strengths and **develop a practical Leadership Action Plan**

Better People

Better Organisations

Better Society
